

ORDER AN ARTWORK

- PERSONALIZE YOUR SPACE -

HOW DOES IT WORK?

1. Get an idea / gather photo(s) you like*
2. Email them to me at lane@lanaart.co.za
3. We can then determine the best composition

I can easily combine, leave out or replace any part of the photo's / images from which I will create the artwork. I'll make sure to take into account artistic elements like colour, balance & detail throughout the process.

4. Read the *Price & Size List* details on the next page

(It also contains details on pick-up / delivery arrangements)

5. Payment**

A deposit amount according to the option you choose.

(Details on the next page)

6. Time-frame

The time-frame is highly dependent on the size of the project, but 2 months is a good average.

*Please Note: I am adventurous with themes for artworks, but if your request includes something I am not comfortable with, I would advise you to rather find someone else for such a project. I am primarily a landscape & nature artist (including architecture) and prefer to work with themes along these lines.

**Please Note: Full Payment is required before the artwork is released.

A note from me to you

My aim with making art is to capture atmosphere, light, colour and effect – more than perfection; turning a photo or image into something captivating and artistic. Please do not hesitate to ask me questions. Enjoy the process!

*All sizes are subject to availability. The sizes listed are usually available and I will do my very best to source these standard sizes. If you would like a different size, then I can order a custom sized canvas. This will result in a minimal additional charge.

**Prices are calculated based on a combination of material costs and an estimated amount of hours (calculated at a Rand per hour rate). If an artwork requires an unusual amount of detail then this price per size might have to be adjusted. If the work is extremely simple in nature then I can lower the price somewhat.
